

This gift supports ELCA World Hunger.

Limited space to graze? Dry land? This is the goat's time to shine. **Goats can go where other animals can't**, surviving in some of the world's most challenging terrain and unreliable climates. Fresh milk from a goat provides daily nutrition for children and their families. What's more, goats are incredibly quick to reproduce, and they provide an opportunity for families to pass the gift on to others.

About your gift:

Shop ELCA Good Gifts and find 50 different ways to grow the church, fight hunger and transform lives.
