

*This gift supports ELCA World Hunger.*

A buzz-worthy gift, honeybees have a growing importance as the shrinking honeybee population worldwide is especially worrisome. Beeswax can be transformed into handcrafted soaps, candles, honey and other products to create a small, sustainable business. But that's not all – we know their mere presence on a farm means they are pollinating plants and boosting crop growth far and wide.

**About your gift:**

Shop ELCA Good Gifts and find 50 different ways to grow the church, fight hunger and transform lives.
