

This gift supports ELCA World Hunger.

If there's a superhero of the barnyard, it just might be the goat. Why? Because goats can go where other animals can't, surviving in some of the world's harshest environments – rocky terrain, drought-prone areas, small plots of land, you name it. Fresh milk from a goat provides daily nutrition for children and their families. And what's more, offspring can rapidly transform a community when shared with other families in need.
