

This gift supports ELCA World Hunger.

One dairy cow can produce a few gallons of milk each day. We know that milk "does a body good," providing a calcium-packed source of nutrition for growing children. A family can start a small business selling extra milk, cheese, yogurt, butter and more. With food, funds and fertilizer, the gift of a cow has got it all.

About your gift:

Cow

Shop ELCA Good Gifts and find 50 different ways to grow the church, fight hunger and transform lives.
