

This gift supports ELCA World Hunger.

Start with a shared plot of land and soil, add drought-resistant seeds, and top it off with the gift of honeybees. The result? Plenty of tomatoes, potatoes, cabbage, beans and other vegetables to go around. Extra produce and honey can be sold for income and reinvested to help expand the garden.

About your gift:

*Honeybees +
community
vegetable
garden*

Shop ELCA Good Gifts and find 50 different ways to grow the church, fight hunger and transform lives.
