

This gift supports ELCA World Hunger.

This little piggy couldn't be a bigger lifesaver. This gift is a source of natural fertilizer, helping a family's crops grow tall and strong. If needed, taking a pig to the marketplace is like cashing out a savings account. The funds can be used to pay school fees for children or cover an emergency trip to the clinic. And when a piglet is paired with the extra (and extra messy) gift of manure, a family will receive double the fertilizer to grow crops that are bigger, healthier and heartier.
