

This gift supports ELCA World Hunger.

More than 30 million children in the United States depend on federal school-meal programs to stay well-nourished and ready to learn. But on weekends, many children struggle to receive the same level of nutrition at home. Backpack programs across the country help students at risk of hunger by discreetly stocking their backpacks with a weekend's supply of food each Friday afternoon and sometimes over holidays. That way, children — and their families — have a couple days of healthy meals and snacks to get them through the weekend and back in the classroom ready to go!
